

## The Cypress Solution

### ***Providing Secure, Anytime Access to Employee Benefit Information***

#### **Program Perks**

- Gives employees secure, 24/7 access to their claim history, enrollment status and important plan documents
- Allows online enrollment to simplify recordkeeping efforts
- Includes helpful extras – medical library, provider information and plan reporting
- Give access to health grades, a comprehensive analysis of provider quality indicators nationwide

#### ***How Does It Work?***

Designed exclusively for our clients, **Cypress Online** gives employers and employees a safe, convenient way to access their benefit information at any time. It also simplifies the enrollment process and provides an option for reviewing claim histories and contacting customer service via the Web.

#### ***Why Does It Work?***

With **Cypress Online**, employee benefit information can be accessed from anywhere at any time. Questions get answered more quickly and efficiently with fewer phone calls, less paperwork and better results.

#### **Cypress Exclusives – Comprehensive Plan Offerings**

- **Online Enrollment** – Allows you to enroll online, make changes and track submissions while eliminating the headache of unreadable or incomplete forms
- **Online Claims** – Provides employees with secure, 24/7 access to their paid claim history
- **Online Customer Service/Express Requests** – Enables you and your employees to contact Cypress through a secure site that provides automated and personalized answers depending on the type of question
- **Email Notifications** – Delivers messages directly to employee accounts and creates free email accounts for those who don't have them
- **Documents and Links** – Employers have the option to post Plan Documents and other pertinent information online with additional links to related sites
- **Announcements** – Allows employers to post specific plan information by employee
- **Your Wellness Connection** – Includes an online library of the most-up-to-date medical information
- **Access to HealthGrades®** - Suite of decision support tools that guides employees and members to better care at a lower price; also includes provider information and healthcare estimates
- **Plan Analysis Capabilities** – Cost analysis overviews, normative comparisons, risk management reports, benchmarking and ad-hoc reporting
