

Reminder: ACA Information Reporting Deadlines Approaching

The IRS deadlines for filing and furnishing Forms 1094 and 1095 are fast approaching. As a reminder, these are the forms that employers will use to report on the group health insurance coverage they offered during the 2018 calendar year. Here is a refresher on the upcoming deadlines:

- All Forms 1094 and 1095 must be filed with the IRS no later than **February 28**, 2019 (or April 1, 2019, if filing electronically).
- Employers with 50 or more full-time employees (including full-time equivalent employees) generally must furnish a Form 1095-C to all full-time employees no later than **March 4**, 2019.
- Self-insured employers with fewer than 50 or more full-time employees (including full-time equivalent employees) generally must furnish a Form 1095-B to all responsible individuals – typically the primary insured, an employee or former employee, or other related person named on the application for insurance – no later than **March 4**, 2019.
